NO OBJECTION CERTIFICATE

To,
principal,
St. Anthony's Convent Higher Secondary School,
Near St. Francis Xavier's Church, Church Road, Badlapur (W) - 421503.

Subject:- No-Objection Certificate.

Reference:- Your application No. 489, dated 18/06/2026.

In view of the above, the Sanitation Inspector has inspected your school and found that the premises of our school are hygienic for the students. As requested by you, a No Objection Certificate is being issued from 12/8/26 to 11/9/27 subject to the following terms and conditions.

1. Care will be taken to ensure that the school premises are kept clean on a regular basis.
2. Water storage tanks in schools should be cleaned regularly.
3. It will be mandatory to have separate toilets for boys and girls in the school and it will be mandatory to appoint female sanitation workers for girls' toilets.
4. It will be mandatory for schools to have sanitary pad vending machines in the toilets for girls.
5. It will be mandatory to install CCTV cameras in the school premises. It will also be mandatory to comply with the matters mentioned in the Government of Maharashtra, School Education and Sports Department Government Decision, No.:Suraksha-2024/Case No.243/S.D.-4. Dated 21st August, 2024.
6. The school toilets should be kept clean regularly.
7. The school should have a clean and pure water system for students.
8. The school's floors should be cleaned daily with a fine duster, and the mesh and tarps should be removed from time to time.
9. The daily waste generated in the school should be stored separately, wet and dry, and should not be thrown out in the open, but should be delivered to the Municipal Council's garbage bin every day.
10. If a generator is installed in the school for electrical power, it will be mandatory for you to ensure that it does not cause air and noise pollution.
11. The department here will not be responsible for obtaining the necessary permissions from the K.B.M.C. Fire Department and other departments for the school.

12. The Municipal Council's sanitation inspector will inspect your school once in six months. Please note that if any errors found during the inspection are not corrected immediately, action may be taken against you.
13. If your school has a catering system, if any food poisoning/illness occurs to students due to the food, you will be solely responsible and will be held personally liable for it.

All health precautions should be taken by following the above instructions. Please note that if any of the instructions are violated by you, the No Objection Certificate will be cancelled immediately.
